

Institutional Policy D2020: Grievance

Category: General Administration and Leadership
Subject: Grievance
Effective Date: January 23, 2025
Updated:

1 Authority

2 Policy

2.1 The Niazee College of Osteopathic Medicine has established standards to foster a safe and equitable environment conducive to learning and development.

2.2 NCOM shall maintain and publish those procedures necessary for submission of an informal complaint or the filing of any grievance by any person or organization regarding the conduct of its programs or operations or regarding the conduct of its students, faculty or staff.

2.3 NCOM shall provide a means whereby such filings may be made anonymously.
